

a GLAMOROUS INVESTMENT

...in yourself

FREQUENTLY ASKED

...Questions

Q... How much experience does Helen have?

A... Helen has been a practicing technician for over 20 years and is certified by the American Academy of Micropigmentation. Helen is also an instructor of the "Certified Dixon Technique"

Q... Is it safe and sterile?

A... Absolutely. All instruments, with exception of the Tattoo stylist itself are disposed of after each procedure.

Q... Does it hurt?

A... After a topical anesthetic is applied, pigmentation is implanted only in the top layer of skin. On a scale from 1 - 10, most clients typically experience a 2 - 4.

Q... What type of methods does Helen use?

A... Helen uses both manual and machine methods. Microblading is done with a manual tool.
